Federal guidelines require school divisions to identify students who are potential English Learners (ELs). If the answers to the following questions indicate that a language other than, or in addition to, English is spoken in the home, the student's English language proficiency will be evaluated to ensure that services are offered to students who need them. Based on the results of these assessments, students will be found to be either English proficient or eligible for ESOL resources.

Please answer the following questions completely and accurately.

1. What is the primary language used in the home, regardless of the language spoken by the student? Which language? _____

2. What is the language most often spoken by the student? Which language?

3. What is the language that the student first acquired? Which language?

This form must be completed for all students registering at Queen of Apostles Catholic School. It should be provided to the parent(s)/guardian(s) during the registration process. If there is a language other than, or in addition to, English indicated for any of the three questions, enter this language in Powerschool. Please make sure that all the questions are answered completely.

If parent(s)/guardian(s) have a question about this form, please refer them to Mrs. Jessica Vera, Learning Resource, j.wears@queenofapostlesschool.org
