

Notice of Tuition Rates for 2023-24 School Year

Queen of Apostles School tuition model has three different categories: 1) in-parish tuition; 2) out-of-parish tuition, and 3) non-Catholic tuition. In order to qualify for in-parish tuition for 2023-2024, you may need to make changes during the 2022-2023 school year. Please read below.

The In-Parish tuition rate is available to all Catholic families who are active members of Queen of Apostles parish. For purposes of school registration or tuition rates, an “active parishioner” is defined as someone who:

- 1) has formally registered in the parish,
- 2) has received a parish ID, and,
- 3) is an active participant in parish life which also includes financial contributions to the parish through the use of an established regular e-giving plan in PushPay* or parish issued envelopes that have your parish ID noted on them (at least 26 per year April -April).

The Pastor of Queen of Apostles parish determines parish status. Queen of Apostles School defers to the Pastor or his representative at the parish for examination of records to determine the membership of a family and their participation in parish life.

- If you live within the parish boundaries and are a registered, active member of the parish (see above requirement), in parish rates are automatic and then reviewed each year.
- If you live outside the parish boundaries you must be a registered and active Queen of Apostles parish member for a period of one year (as of April 1) before you may be eligible for in parish rates. Please contact the parish office for details on registration requirements.

Tuition status is reviewed each year. During our annual review, registered Queen of Apostles Parishioner Families, who have not met the guidelines for in-parish tuition rates during the previous calendar year, will be charged the out-of-parish tuition rate for the upcoming school year.

Tuition status will not change during a school year; changes will be made for the following year and remain in place for the entire school year. If a family becomes a parish member and has met the requirements, they will be moved to in-parish rates for the following school year.

If you are interested in becoming a member of the Queen of Apostles parish, please visit the parish website at: www.queenofapostles.org

If a parent is registered a Queen of Apostles Parish and the children are non-Catholic, the parent must pay the non-Catholic tuition rate
